

Half Moon Bay Little League

Age Calculations & Division Assignments

FallBall 2019

For FallBall 2019, kids play in the same division they will play in next spring.
So age calculations are based on the spring 2020 Little League International determination date of 8/31/2020. Kids will be defaulted into their division based on this date.

If a parent would like a child to play in a division lower or higher than their assigned division, please contact Phil Hophan at philhophan@gmail.com
