

HALF MOON BAY LITTLE LEAGUE BASEBALL

MINORS DIVISION LOCAL RULES

2022 SEASON

Updated 12/07/21

This document defines the Half Moon Bay Little League (HMBLL) Local Rules for the Minors Division. The Local Rules have been adopted by the HMBLL Board of Directors as additions to the rules and regulations contained within the Official Regulations and Playing Rules booklet published annually by Little League Baseball® (AKA The Green Book).

- Game Duration** A new inning cannot start after 2 hours and 15 minutes from first pitch starting time as recorded by the home team scorekeeper in the official scorebook.
- Schedule** After the start of Daylight Savings Time, 2 games per week (1 weekday and 1 Saturday) are scheduled except when an extra weeknight game is played to make up for a rainout potentially resulting in 3 games played in a week. No double-headers are permitted as defined in Rule 4.13
- Roster Player Pool** Player Pool will be maintained per Regulation V(c).
- Players 10yrs(+)** All players 10-years old or older (based on Little League Age as of Aug 31 of the season) not drafted in the Majors Division shall be drafted in the Minor Division.
- Mandatory Play** Every rostered Player present at the start of the game will participate in each game for a minimum of 9 defensive outs, 3 of the defensive outs have to be at an infield position and bat at least 1 time. If mandatory play is not met for a Player in any regulation game (4-6 innings of play), the Player must start the next scheduled game, complete any previous requirement of mandatory play, and complete mandatory play for the current game before being removed from defensive play. See Regulation IV(i), Note 2 for clarification. This rule is not in effect for late arrivals or early departures.
- Approved Bats** Bats must meet USA Baseball Bat standard (USABat)
- Continuous Batting** Minors Division uses continuous batting lineups. Continuous batting order is defined in Rule 4.04. See also 4.01.
- Throwing Bats** A batter throwing a bat in a manner the umpire deems to be unsafe is issued a warning. A batter throwing a bat in an unsafe manner again in the same game, is not allowed to bat for the remainder of the game. If a batter becomes ineligible during an at-bat, the next batter in the lineup bats and assumes the ineligible batter's ball/strike count.
- Pitch Count** If a player reaches their soft count pitch count limit in the middle of an at-bat, they are permitted to complete the at-bat and then must be replaced by another pitcher. Penalty for not following HMBLL Pitch count limits may result in the suspension of the manager for one game and possible forfeit of the game.

Date	# of Pitches (soft count)	Managers must enter pitch counts on the HMBLL website after each game. Refer to Little League Green Book
Preseason thru March 13	35	

March 14 thru April 3	50	for required days of rest
April 4 thru Tourney	65 (50 for 8-yr olds)	

Game Play 5-Run Rule After scoring a fifth run in an inning, the team's at bat is over. The 5-run rule (Rule 5.07) is suspended in the last inning for both teams. Umpires must notify both managers and scorekeepers at the beginning of the inning that it is to be the last inning (4th, 5th, or 6th inning) played and game will end once the inning ends per Rule 5.07 or home team scores a winning run.

Stealing Home No run can be scored from 3rd Base by the act of Stealing home on a passed ball, wild pitch, or throw back to the pitcher from the catcher. After the 3rd weekend of the regular season (i.e. For the 2022 season - starting March 21, 2022, this rule is lifted.)

Mercy Rule Games ended by "mercy rule" as written in Little League Rule 4.10(e) are automatically reported to the Players' Agent via the HMBLL game score system for review by the Players' Agent. In the course of a team winning by "mercy rule," the Players' Agent will suspend for 1 game any manager or coach deemed to have encouraged players to continue to run the bases to "run up the score," or behave in an otherwise unsportsmanlike manner.

Field Prep The home team uses the dugout along the 3rd base line and prepares the field for play. The away team drags the infield after the game, and puts all field equipment away after the game.

Postseason Play Minors champions are determined by a postseason double-elimination tournament. Tournament seeding will be by blind draw. Guest players are not permitted during HMBLL tournament.

All post season tournament play will be played under the Green Book tournament rules with the exception of pitch count limits, which will continue to be governed by our Local Rules Pitch Count section.

Managing/Coaching Only the four rostered adults per team are allowed on field or in the dugout during a game for coaching purposes only. No one except those four rostered coaches are allowed on the field at any time while the game is in progress. Coaches may coach, pitch, or monitor the dugout. No coaching from the stands. There must be one adult rostered coach in the dugout at all times.

- Offensive Team: Base coaches may be players or coaches (if a player is used, they must wear a batting helmet). The manager/coach who pitches may not coach and direct base runners.

- Defensive Team: One adult is allowed in foul territory or behind the outfielders, and one is allowed behind the plate to back up the catcher for the entire season.

Hats: All managers and coaches will wear the league-provided hats during games.

Positive Coaching Alliance (PCA): All managers and at least two coaches must attend the PCA workshop provided by HMBLL. Managers that fail to attend the workshop forfeit all games until PCA certification is attained.

For additional clarification on rules regarding field maintenance, safety, batting cages and snack bar duty, please see the following league publications:
